Mr.&Mrs. Dale Lyon
283 Linden Ave.
Piqua, Ohio

Dear Dale and Mona:

I read in the bulletin that Dale had been sick so I wanted to write and tell him to get up and get out! Seriously, after reading of his trip to Cleveland and then reading about him still on the sick list I decided it was time to see how he was doing. I do hope that this letter better, Dale.

Mona, you take good care of him. You know we men need alot of attention. We are pretty vital to the whole world, in fact, I don't know what you women would do without us! Ha!

Our work here seems to be getting along fairly well. But with the church work and my school work it really keeps me on the run. I have had to preach some rather hard sermons because some of these people are a little stubborn but they got a stubborn preacher when they got me and I will throw it right back at them!

You ought to see Mary Elizabeth. She nows weighs about 19 pounds and is really growing. She is dark brown eyes and laughs all the time. I am glad that she looks like her mother so is very beautiful.

Dale, just wanted to write and let you know we were thinking of you and sincerely hope you are already feeling better.

Faternally yours,

John Allen Chalk
